

Staying Covid-Secure

TEACHER CHECKLIST

Although this is a teacher checklist, we ask for everyone's assistance to follow all these measures...

Whole group leaves before the next group enters

In bad weather, students may enter and sit in Zone 2 at the back of the school

Wipe down all surfaces & chairs

Desks | Teacher area | bar | sink area | door handles

Keep the door open between classes

Plus good circulation from air conditioning system

Everyone hand sanitises on entry

Everyone wears their visor or face mask at all times

Students may also choose to wear both together

Sanitise your hands before serving drinks

All used crockery placed directly in dishwasher

Dishwasher stays open for students to place used crockery.
Only the teacher closes & starts

Good 1m+ social distancing maintained

Class sizes have been reduced to allow good social distancing

Everyone has signed the Student Declaration

Please don't come to class if you have any flu like symptoms

In addition to these measures, the school is thoroughly cleaned each day.
