Language courses & study holidays in the UK

www.languagetree.co.uk

Welcome to **Language Tree**

We are a family run language school in the heart of Cornwall providing high-quality courses for adults and young learners.

Cornwall is a beautiful region situated in the far south-west of the United Kingdom and surrounded by the Atlantic Ocean.

It is a truly amazing place to learn English while also being the perfect place for an adventurous holiday.

As soon as you arrive in Cornwall, you will be welcomed by our local staff who will be waiting to share this beautiful part of the world with you.

At Language Tree we provide a special language experience: small groups, relaxing accommodation and a fun-packed holiday programme where you will discover new places and be immersed in English culture.

Come and join us and discover this beautiful region of the United Kingdom.

Activities & Excursions

Cornwall is the perfect place for enjoying an active outdoor holiday with endless sandy beaches, dramatic rural locations and a rich cultural history.

Alongside the English classes, our activity programme has been designed to make the most of our local knowledge of this hidden gem in the south-west of the UK.

For each week of your stay, we've got an exciting variety of interesting, cultural destinations. Here are just a few of the places we visit...

The Eden Project

One of the most spectacular tourist destinations in the UK, The Eden Project is essentially a living museum of plants. You can walk through a tropical rain forest and learn how important the rich diversity of plant life is in so many areas of our lives. It is an awe-inspiring location and it really makes you think about the environmental issues we face in the world today.

Falmouth Boat Trip

One of our favourite trips on a sunny day is the River Fal boat trip from Truro to Falmouth. It is the perfect opportunity to sit back and enjoy the breathtaking views of the river estuary from Truro to Falmouth.

Falmouth is a historic harbour town, home to the National Maritime Museum and Pendennis Castle. You will have a chance to visit both of these great attractions during this excursion.

St Ives and The Tate

St Ives is a magical town in Cornwall, an amazing example of a traditional fishing village. The perfect place for fish and chips and ice-cream!

St Ives is also well known as a special place for artists and is home to the Tate Art Gallery which features regular exhibitions from world famous artists. During our day trip to St Ives, you will have the chance to soak up the atmosphere of the town, visit the Tate and taste some local treats.

Cycling the Camel Trail

The Camel trail is a wonderful, flat cycle path that follows the flow of the River Camel towards the sea. On this excursion, you will get to enjoy a relaxing ride through lush, green countryside before reaching the coast for Rick Stein's fish'n'chips on the harbour wall.

Geevor Mine

We'd like to share with you a little of the great history of Cornwall – and you'll find that underground! Cornwall's mining history is a UNESCO World Heritage Site and our trip down Geevor Mine will allow you to experience the wonder of these Cornish tin mines that were dug by hand in the 17th Century.

Minack Theatre

The Minack is one of the most dramatic theatre locations anywhere in the world. This gorgeous theatre is carved into the cliff near Land's End with spectacular views looking out to sea. We will take you to their amazing summer performances, where you can enjoy outdoor theatre while the sun goes down over the sea. [picture on the cover!]

Local National Trust Properties

The National Trust is one of the most important organisations in the UK that restore and preserve important cultural landmarks all over the country. Cornwall is home to some beautiful country estates with semi-tropical gardens that were built by the rich owners of Cornish tin mines. Our excursions to Trelissick and Lanhydrock will take you to these peaceful locations to soak up the atmosphere and history of these fantastic English country estates.

Amazing watersports in Cornwall

Surfing, SUP & watersports

Cornwall is the watersports capital of the UK.

At its heart is Newquay on the north coast with its fantastic waves and beautiful, long sandy beaches. And then, Falmouth on the south coast, is a sailing heaven which is perfect for stand-up paddleboarding, kayaking and coastering as well as sailing.

All our watersports sessions are run by our professional partners who we work with each year.

Homestay Accommodation

Ideal for adults, young learners & families

Staying with an English family can be one of the best ways to fully immerse yourself in the English language.

All of our host families are experienced and friendly hosts who really enjoy welcoming students from around the world to stay with them.

From the moment you get in touch with us, we begin matching you with the best host family that will suit your age, gender and interests.

As soon as we have matched you to one of our host families we put you in touch so you can get to know each other a little before you arrive in the UK.

All our host families provide excellent quality, full-board accommodation.

You will receive a tasty breakfast each morning, a healthy packed lunch to take with you for your day at school and finally, at the end of each day, there will be a delicious home cooked evening meal for you to enjoy with your host family.

As an extra feature of our courses, we always make sure we include some time in the programme for you to enjoy doing some nice, local activities with your host family.

Truro High School

Residential group programmes

A fantastic base for our teenage summer residential programme

Truro High School is one of the most prestigious private schools in the south-west of the UK and it provides an amazing home for our students during their stay in Cornwall.

On our summer programmes, we have full access to all the excellent facilities at Truro High School.

Starting with the comfortable and modern boarding house. With secure keycode access, all students will have their own bedroom with en-suite bathroom. The school has a mix of 1, 2 and 3 bed bedrooms. Plus, there are common room areas where the students can relax and chat.

Then, it's just a short walk downstairs to the cafeteria for meals.

The on-site catering team provide delicious, healthy menu options every day of the week. All the food is freshly prepared at the school and they are very happy to provide meals to suit all dietary needs.

When it comes to the classrooms, they are equipped with all the latest computing technology for the teachers to use throughout the course.

All our teaching and residential staff are experienced and highly-qualified to British Council standards. Our Language Tree staff are on site 24 hours a day to help you with anything you may need.

English Classes

We offer a variety of different English language courses so that you can choose a course that will focus on the language you need, with lessons carefully set at the right level for you.

Whichever course you choose, we can guarantee you engaging and useful classes for all levels from beginners to advanced.

Our friendly and well-qualified teachers use a communicative approach to ensure that you have the opportunity to practise speaking English as much as possible during your stay with us.

Before you arrive, we will send you a test to complete so that you can be placed in the most appropriate class for your level from the first day of your course.

All our teachers are highly experienced and professionally qualified with British Council approved qualifications.

At the end of your stay you will receive a certificate to show your level on the Common European Framework.

We offer the following English language courses:

Classic 20

(20 hours per week)

Our Classic 20 Course is available at all levels from Beginners (A2) to Advanced (C1). It has been carefully designed to include a wide range of useful language and topics that perfectly complement our activity and excursion programme.

Over a two week programme, students will study all four language skills: reading, writing, speaking and listening with a clear focus on speaking.

Family Programme

(20 hours per week)

We also have a fantastic option for families who would like to study with us.

We offer two versions of the Classic 20 course in the mornings: one for children and another for adults. During the morning the children and adults will study in separate, small, level-based classes. Then, they will join together for the afternoon and evening activity programme. This is a great way for the whole family to enjoy our summer school programme.

Exam Preparation Course

(20 hours per week)

Our Exam Preparation Course is aimed at students with a B2 or C1 level of English who would like to prepare for either the Cambridge First (FCE), Cambridge Advanced (CAE) or the IELTS exam.

Our teachers have extensive experience of preparing students for the Cambridge English & IELTS exams. We understand the importance of these exams for our students and we can help you develop both your language skills and your exam strategies to improve your results in these exams.

During the course, we also provide specialised exam workshops where students will receive individual training on the specific areas of the exam they struggle with most.

Language Tree Limited 13 Kenwyn Street, Truro, Cornwall, UK. TR1 3DJ

“I was impressed by both the quality of the teaching and by the excellent excursion and activity programme, which was so very different from what one usually gets in summer programmes in the UK.”

Sabrina from Italy (review on Google)

“I loved every minute of this course. I had the opportunity to improve my English not only during the lessons but throughout my entire stay.”

Graziano from Italy (review on Google)

“The best academy in Cornwall! The lessons are very dynamic and interesting. The atmosphere is fantastic, the groups are small, ideal to participate in class. I recommend it 100%.”

Jonatan from Spain (review on Google)
